thanks

thanks

the third question is a bit of a mess

not fully clear - as it covers a lot and long meandering answer which not clear too

not fully clear - as it covers a lot and long meandering answer which not clear too

am talking about google apps , building for companies, future of work etc

am talking about google apps , building for companies, future of work etc

the other three are good

the other three are good

Ok will take a look and try to restructure to make cleare
